

JACOB L. GORDON, M.D., M.S.

Birthplace: Baltimore, Maryland
Birthdate: January 7, 1961
Citizenship: USA

Education:

Baccalaureate:
Aug. 1982 – May 1982 The Johns Hopkins University
B. A. 1982 Baltimore, Maryland
Biomedical Engineering

Graduate: Schools of Medicine and Engineering
Aug. 1982 – May 1991 University of Pittsburgh
M.S. 1989 Pittsburgh, Pennsylvania
Electrical Engineering/
Biomedical Engineering

M.D. School of Medicine
1991 University of Pittsburgh
Pittsburgh, Pennsylvania

Training:

Internship Department of Medicine (Chairman: Thomas J. Nasca, M.D.)
June 1991 – June 1992 The Mercy Hospital of Pittsburgh, Pittsburgh, Pennsylvania

Residency Department of Neurology (Chairman: Robert B. Daroff, M.D.)
July 1992 – June 1995 School of Medicine, Case Western Reserve University,
Cleveland, Ohio

Fellowship Specialized Center for Sleep Research
July 1995 – June 1997 (mentors: Carl E. Rosenberg, M.D., Kingman P. Strohl, M.D.)
Departments of Neurology and Medicine, School of Medicine
Case Western Reserve University, Cleveland, Ohio

Faculty Appointments:

August, 2000 – March, 2008 Assistant Professor of Neurology (Chairman: Robert P. Lisak, M.D.)

**Hospital Appointments and
Clinical Practice:**

July, 1994 – June, 1997 Associate Staff, Bedford Medical Center
University Hospitals Health System
Bedford, Ohio

July, 1995 – June, 1997 Associate Staff (Chief: Michael W. Devereaux, M.D.)
Division of Neurology, Department of Medicine
Mount Sinai Medical Center
Cleveland, Ohio

July, 1995 – June, 1997	Attending Neurologist, Outpatient Neurology Clinic Division of Neurology, Department of Medicine Mount Sinai Medical Center Cleveland, Ohio
July, 1996 – June, 1997	Attending Neurologist, Neurology Service (Chief: Robert L. Ruff, M.D., Ph D.) Veterans Affairs Medical Center Cleveland, Ohio
July, 1997 – June, 2000	Neurologist, The South Bend Clinic South Bend, Indiana
July, 1997 – June, 2000	Active Staff, Memorial Hospital of South Bend South Bend, Indiana
August, 1997 – June, 2000	Active Staff, Saint Joseph’s Regional Medical Center South Bend, Indiana
November, 1997 – June, 2000	Polysommographer, Sleep Laboratory, Saint Mary Medical Plaza South Bend, Indiana
April, 1998 – June, 2000	Active Staff, Saint Joseph Community Hospital Mishawaka, Indiana
June, 2000 – August, 2000	gap: moved from South Bend to Detroit for new position, Awaited credentialing at Detroit VA Medical Center
August, 2000 – March, 2008	Attending Neurologist, Neurology Section (Chief: Sheldon Kapen, M.D.) John D. Dingell Detroit VA Medical Center Detroit, Michigan
August, 2000 – March, 2008	Polysommographer, Sleep-Wake Disorders Center John D. Dingell Detroit VA Medical Center Detroit, Michigan
March, 2008 – August, 2009	Private Practice in Neurology and Sleep Medicine Detroit, Michigan
July, 2008 – January, 2009	Locum Tenens Neurologist, Bay Regional Medical Center Bay City, Michigan

**Hospital Appointments and
Clinical Practice: (continued)**

March, 2009 – June, 2009	Locum Tenens Neurologist, Otsego Memorial Hospital Gaylord, Michigan
September, 2009 – March, 2010	Neurologist, Uniontown Hospital Uniontown, Pennsylvania
April, 2010 – March, 2014	Private Practice, Neurology and Sleep Medicine White Oak, Pennsylvania

May, 2010 – November, 2011	Medical Officer, Pennsylvania Coach Lines McKeesport, Pennsylvania
September, 2010 – December, 2010	Locum Tenens Neurologist, The Williamsport Hospital Williamsport, Pennsylvania
July, 2011 – July, 2013	Physician Advisor, Executive Health Resources Newtown Square, Pennsylvania
March, 2014 – May, 2015	Attending Neurologist, Specialty Medicine Columbus VA Ambulatory Care Center Columbus, Ohio
May, 2015 – April, 2016	gap: job search, awaited insurance carrier credentialing and professional liability coverage for position at Sleep Diagnostics of Michigan
April, 2016 – May, 2017	Sleep Specialist, (Part-Time), Sleep Diagnostics of Michigan Okemos, Michigan
May, 2017 – April, 2019	Neurologist and Sleep Specialist, Traumatic Brain Injury Program Madigan Army Medical Center Tacoma, Washington

Scientific and Professional Societies:

1979 – 1980	Student Member, Association for Research in Vision and Ophthalmology (ARVO)
1993 – 1997	Junior Member, American Academy of Neurology (AAN)
1997 – 2005	Active Member, American Academy of Neurology (AAN)
1998 – 2003	Member (#5831), American Academy of Sleep Medicine
2003 – 2010	Fellow, American Academy of Sleep Medicine

Licensure and Board Certification:

July 1, 1992	National Board of Medical Examiners, Certificate No. 328478
March 22, 1997	Diplomate in Neurology, American Board of Psychiatry and Neurology, Certificate No. 44083 (certificate valid through March 3, 2020)
October 15, 2000	Medical License No. 4301077270, State of Michigan (expiration date January 31, 2020)

April 14, 2003 Diplomat, American Board of Sleep Medicine
Certificate No. 2072

July 23, 2009 Medical License No. MD437980, State of Pennsylvania
(expiration date December 31, 2020)

Awards:

1979 – 1981 Undergraduate Research Fellowship, Department of Biomedical
Engineering School of Medicine, The Johns Hopkins University

1983 Research Fellowship, Medical Student Research Training Program
School of Medicine, University of Pittsburgh

1985 – 1986 Otologic Research Fellowship, The Deafness Research Foundation

1988 – 1989 Medical Scientist Training Fellowship, The Culpeper Foundation

1995 – 1997 Postdoctoral Fellowship in Sleep Research
Grant # HL-07288, National Heart, Lung, and Blood Institute
National Institutes of Health

Service:

Professional Activities:

1980 – 1982 Undergraduate Representative to Biomedical Engineering Faculty
The Johns Hopkins University School of Medicine

1983 Medical Student Representative to Graduate and Professional
Students Association, University of Pittsburgh

March, 1983 Workshop Participant, “Association of American Medical Colleges
Project on the General Professional Education of the Physician (GPEP)”

1993 – 1997 Member of University-wide hospital Ethics Committee
University Hospitals of Cleveland, Case Western Reserve University

September, 1996 – June, 1997 Participant, Bioethics Discussion Group, Cleveland-Marshall School of
Law, Cleveland State University, Cleveland, Ohio

September, 1997 –
October, 1999 Member, Health Care Ethics Advisory Committee
Saint Joseph’s Regional Medical Center, South Bend, Indiana

Service:

**Professional Activities:
(continued)**

October, 1998 – May, 1999 Member of Philosophy, Theology, Law, and Health Care Group
Erasmus Institute, University of Notre Dame, Notre Dame, Indiana

October, 1999 – June, 2000 Co-Chairman, Health Care Ethics Advisory Committee
Saint Joseph’s Regional Medical Center, South Bend, Indiana

Community Activities:

- 1982 Lecturer, High School Student Science Program
School of Medicine, The Johns Hopkins University
- 1986 Lecturer in Sensory Biology, Hillel Academy High School
Pittsburgh, Pennsylvania
- 1989 -1991 Consultant to Dizziness and Balance Disorders Support Group
Vestibular Disorders Association, Pittsburgh, Pennsylvania

Administrative Activities:

- August, 2000 to March, 2008 Sleep-Wake Disorders Center, John D. Dingell Detroit VA
Medical Center, Wayne State University School of Medicine,
Detroit, Michigan: Maintenance of Accreditation Standards of
Sleep-Wake Disorders Center
(Reaccredited July 2004 for five years by the American Academy of
Sleep Medicine
- August, 2000 to 2006 Associate Director, Sleep Medicine Training Program:
Recruiting and selection of Sleep Medicine Fellows
Maintenance of accreditation standards of Fellowship Program
(Reaccredited July 2002 for five years by the American Academy of
Sleep Medicine

Academic Service:

- March, 2005 to March, 2008 Chairman, Data and Safety Monitoring Board for research grant
“Breathing Instability and Upper Airway Obstruction during Sleep”
(Principal Investigator M. S. Badr, M.D.)
Wayne State University School of Medicine, Detroit, Michigan

Teaching:

Current Full-Time Position: Traumatic Brain Injury – Intrepid Spirit
Program, Madigan Army Medical Center, Tacoma, Washington
Lecturer, Madigan Intrepid Spirit Transitions Intensive Outpatient
Program

Previous:

- 1980 Lecturer in Physiological Control Systems
Biomedical Engineering Seminar Course
The Johns Hopkins University, Baltimore, Maryland
- 1981 Teaching Assistant in Human Neuroanatomy
The Johns Hopkins University, Baltimore, Maryland

- 1982 Guest Lecturer in Sensory Psychology (Dr. Joel M. Miller, Department of Psychology), Towson State University, Baltimore, Maryland
- 1989 – 1991 Participant in Weekly Medical Ethics Conference
Children’s Hospital of Pittsburgh, Pittsburgh, Pennsylvania
- 1993 – 1997 Participant in Works in Progress Group, Center for Biomedical Ethics School of Medicine, Case Western Reserve University, Cleveland, Ohio
- July 1995 to June 1997 Preceptor, Neurology Clinic, Mount Sinai Medical Center, Cleveland, Ohio (Medical Student Clerkship in Neurology, School of Medicine, Case Western Reserve University; Clinical Subspecialty Preceptorship, Department of Medicine, Mount Sinai Medical Center)
- March to April, 1996 Lecturer, course HSC 493: Principles of Medicine III – Neurology “The Neurological Examination” Department of Health Sciences Cleveland state University, Cleveland, Ohio
- May 1996 to June 1997 Lecturer, Medical Student Clerkship in Neurology, School of Medicine Case Western Reserve University, Cleveland, Ohio
- August 1997 to June 2000 Lecturer and Preceptor, Family Practice Residency Program Memorial Hospital of South Bend, South Bend, Indiana
- November 1997 to May 1998 Supervision of Synthesis Seminar graduate student (Patricia E. Powers) Master of Divinity program, Department of Theology University of Notre Dame, Notre Dame, Indiana
- August 2000 to March 2008 Department of Neurology, Wayne State University School of Medicine, Detroit, Michigan
- a. Preceptor; Sleep Medicine Fellowship Training Program: supervision of Sleep Medicine Fellows (clinical evaluations, study interpretation, case management conference)
 - b. Lecturer, Sleep Medicine Fellowship Training Program Lecture Series: Classification of Sleep Disorders, Narcolepsy, Disorders of the Sleep-Wake Cycle, Parasomnias, Restless Legs Syndrome
 - c. Lecturer, Clinical Neurophysiology Fellowship Training Program: Electrophysiology of Sleep, Classification of Sleep Disorders
 - d. Preceptor, Neurology Residency Training Program: Inpatient and Outpatient Care, Neurological Consultation
 - e. Lecturer, Neurology Residency Training Program: Introduction to Sleep Physiology and Sleep Medicine, Sleep Disorders, Sleep Electrophysiology
 - f. Preceptor, Medical Student Neurology Clerkship
 - g. Preceptor, Medical Student Sleep Medicine Elective
 - h. Lecturer, Year II Medical Student Clinical Neuroscience Course: Cranial Nerve Function and Examination, Neurological Diagnosis and Case Analysis

Research Activities:

- 1979 – 1984
Research Assistant in Oculomotor Physiology and Physiological Modelling Laboratory of Dr. David A. Robinson
Departments of Ophthalmology and Biomedical Engineering
School of Medicine, The Johns Hopkins University
- 1985 – 1986
Medical Student Otology Research Fellowship – The Deafness Research Foundation, “Assessment of Vestibular and Proprioceptive Interaction Using the Moving Posture Platform”
Departments of Biomedical Engineering and Otolaryngology
School of Medicine, University of Pittsburgh
- 1986 – 1990
Research Assistant in Biomedical Engineering, University of Pittsburgh
“Discrete-time Mathematical Modelling of Human Vestibular Function”
Preceptors – Dr. Joseph M.R. Furman, Departments of Otolaryngology, Neurology, and Electrical Engineering
Dr. Edward W. Kamen, Department of Electrical Engineering
- 1994 – 1997
Staff Physician, Division of Research
Department of Neurology, School of Medicine
Case Western Reserve University, Cleveland, Ohio
- 1995 – 1997
Research Fellow, Specialized Center for Sleep Research
Departments of Neurology and Medicine, School of Medicine
Case Western Reserve University, Cleveland, Ohio
- 2000 – 2008
Faculty, Sleep-Wake Disorders Center, John D. Dingell
Detroit VA Medical Center

Publications:

1. Original Observations in Referred Journals

Robinson DA, Gordon JL, Gordon SE.
“A Model of the Smooth Pursuit Eye Movement System”,
Biological Cybernetics, vol. 55, pp. 43-57, 1986

Leigh RJ, Huebner WP, Gordon JL.
“Supplementation of the Human Vestibulo-ocular Reflex by Visual Fixation and Smooth Pursuit”, Journal of Vestibular Research, vol. 4, pp. 347-353, 1994

RANTTAS Investigators. “A Randomized Trial of Tirilazad Mesylate In Patients with Acute Stroke (RANTTAS)”,
Stroke, vol. 27, pp. 1453-1458, 1996

**Publications:
(continued)**

2. Chapters

Lerner AJ, editor. *The Little Black Book of Neurology*. St. Louis, MO: Mosby-Year Book, 1995
Entries on: Bladder, Gaze Palsy, Ocular Oscillations, Optokinetic Nystagmus, Muscle Testing, Transplantation, Vestibulo-ocular Reflex, Vertigo.

Kapen S, Gordon JL. Sleep and Neurologic Disorders.
In: Pandi-Perumal SR, Ruoti RR, Kramer M,
eds. *Sleep and Psychosomatic Medicine*. Oxford: Informa Healthcare, 2007: 75-91

3. Thesis

Gordon JL, *Recursive Least-Squares Parameter Estimation of the Human Vestibulo-Ocular Reflex*.
Master's Thesis, University of Pittsburgh, 1989

4. Published Abstracts

Gordon JL, Furman JMR, Kamen EW, "System Identification of the Vestibulo-Ocular Reflex: Application of the Recursive Least-Squares Algorithm", in Buus, ed, *Proceedings of the Fifteenth Annual Northeast Bioengineering Conference* New York, Instit. Electrical Electronics Engineers, pp. 199 – 200, 1989

Gordon, JL, Spry K, Rosenberg CE, Roebuck T, Browner I, Winters M, Redline S. "Why Are Patients with OSA Sleepy? Correlations Between Sleepiness Measures and Polysomnographic Data", *Sleep Research* 1996; vol. 25, p. 247

Gordon JL, Osorio I, Rosenberg CE, Kaminski HJ. "Excessive Daytime Somnolence in Myasthenia Gravis", *Neurology* 1997; vol. 48 (suppl. 2), pp. A256-A257

Schrab SA, Boulos M, Shahabuddin S, Gordon JL, Kapen S. "Influence of HLA Typing on Sleep-onset REM Periods in Obstructive Sleep Apnea", *Sleep* 2002, vol. 25 (suppl. 1), p. A141

Kapen S, Gordon JL. "Polysomnographic Evidence for REM Dysfunction In Non-narcoleptics", *Sleep* 2003, vol. 26 (suppl. 1), pp. A288-A289

Scientific Presentations:

Robinson DA, Gordon JL, Gordon SE. "A Model of Human Smooth Pursuit", Poster Presentation at Satellite Meeting of XXXTH International Congress, International Union of Physiological Sciences – Developments In Oculomotor Research, Glen Eden Beach, Oregon, July 21, 1986

**Scientific Presentations
(continued)**

Gordon JL, Furman JMR. "Application of Recursive Least Squares to Identification of Vestibulo-ocular Reflex", Platform Presentation at Fifteenth Annual Northeast Bioengineering Conference, Northeastern University, Boston, Massachusetts, March 28, 1989

Gordon JL. "Virtue in the Medical Literature: Lessons for Medical Education", Poster Presentation at First Annual Research Day, Mercy Hospital of Pittsburgh, Pittsburgh, Pennsylvania, April 15, 1992

Gordon JL, Spry K, Rosenberg CE, Roebuck T, Browner I, Winters M, Redline S. "Why are Patients with OSA Sleepy? Correlations Between Sleepiness Measures and Polysomnographic Data", Poster Symposium Presentation at Association of Professional Sleep Societies 10th Annual Meeting, Washington, DC, May 31, 1997

Gordon JL, Osorio I, Rosenberg CE, Kaminski HJ. "Excessive Daytime Somnolence in Myasthenia Gravis", Poster Presentation at Academy of Neurology 49th Annual Meeting, Boston, Massachusetts, April 16, 1997

Professional Presentations:

- November 16, 1993 Presenter and Panelist, "Religion and Medicine in Conflict",
Clinical Science Year I Ethics Seminar
School of Medicine, Case Western Reserve University, Cleveland, Ohio
- February 22, 1995 Lecture, "Neurophysiological and Religious Aspects of the Determination
of Death", Medical School Year I Elective in Cross-Cultural Approaches to
Bioethics, School of Medicine, Case Western Reserve University,
Cleveland, Ohio
- June 2, 1995 Lecture, "Brain Death and Persistent Vegetative State: Fact and Philosophy
in the Neurological Literature", Neuroscience Grand Rounds
School of Medicine, Case Western Reserve University, Cleveland, Ohio
- November 3-5, 1995 Participant, International Conference, Institute of Medicine, National
Academy of Sciences, "Defining Death in a Technological Age: The
Interface Between Medical Science and Society",
Case Western Reserve University, Cleveland, Ohio
- February 2, 1996 Lecture, "Current Issues: Pathophysiology and Clinical Recognition of
Obstructive Sleep Apnea", Neuroscience Grand Rounds, School of
Medicine, Case Western Reserve University, Cleveland, Ohio
- February 21, 1996 Presentation, "Thinking About Death: Physiology and Philosophy",
Medical School Year I Elective in Bioethics, School of Medicine,
Case Western Reserve University, Cleveland, Ohio
- September 10, 1997 Presentation, "Recognition of Sleep Disorders: Disorders of Breathing
During Sleep", Primary Care Symposium, Memorial Hospital,
South Bend, Indiana

**Professional Presentations:
(continued)**

- November 18, 1997 Lecture, "Recognition of Sleep Disorders", Department of Psychiatry, Madison Center and Hospital, South Bend, Indiana
- December 4, 1997 Lecture, "Physiological Facts and Religious Guidelines in Medical Decisionmaking: The Example of the Definition of Death". Theology 446, Theology and Medicine (Professor Maura Ryan) Department of Theology, University of Notre Dame, Notre Dame, Indiana
- December 9, 1997 Lecture, "Diagnosis and Management of Stroke for Primary Care Physicians", The South Bend Clinic, South Bend, Indiana
- December 22, 1997 Lecture, "Approach to Headache", Family Practice Department, Granger Family Medicine, Granger, Indiana
- January 20, 1998 Lecture, "Diagnosis and Management of Stroke for Primary Care Physicians", Family Practice Residency Program, Memorial Hospital, South Bend, Indiana
- March 26, 1998 Lecture, "Dizziness and Vertigo: Diagnosis and Management", Family Practice Residency Program, Memorial Hospital, South Bend, Indiana
- June 18, 1998 Lecture, "Sleep Disorders: Recognition, Diagnosis, and Clinical Approach", Family Practice Residency Program, Memorial Hospital, South Bend, Indiana
- July 6, 1998 Lecture, "Neurological Scenarios in the Emergency Department", Department of Emergency Medicine, Memorial Hospital, South Bend, Indiana
- October 21, 1998 In-Service Presentation, "Stroke Diagnosis and Management for Therapists", Rehabilitation Department, Memorial Hospital, South Bend, Indiana
- January 22, 1999 Lecture, "Office Neurology for Primary Care Physicians", Family Practice Residency Program, Memorial Hospital, South Bend, Indiana
- January 29, 1999 Lecture, "Ethical Principles and Medical Decisionmaking", Family Practice Residency Program, Saint Joseph's Regional Medical Center, South Bend, Indiana
- March 17, 1999 Lecture, "Recognition of Sleep Disorders: Disorders of Breathing during Sleep", Saint Joseph Community Hospital, Mishawaka, Indiana
- April 22, 1999 Lecture, "Approach to Headache", Family Practice Residency Program, Memorial Hospital, South Bend, Indiana
- October 8, 1999 Lecture, "An Introductory Discussion of Jewish Thought and Practice", Religious Studies 101W / Philosophy 110W (Professors E. Newman, K. MacDonnell), Saint Mary's College, Notre Dame, Indiana

**Professional Presentations:
(continued)**

- October 27, 1999 Lecture, “Achieving Clarity about the Definition of Death”,
SCPP 300: Clinical Medical Ethics (Professor J. Foster)
University of Notre Dame, Notre Dame, Indiana
- October 28, 1999 Lecture, “Dizziness and Vertigo: Developing an Approach to Neurological
Symptoms”, Family Practice Residency Program, Memorial Hospital,
South Bend, Indiana
- February 8, 2000 Lecture, “An Approach to Movement Disorders”, Family Practice
Residency Program, Memorial Hospital, South Bend, Indiana
- February 17, 2000 Lecture, “Sleep Disorders: Recognition, Diagnosis, and Clinical
Approach”, Family Practice Residency Program, Saint Joseph’s
Regional Medical Center, South Bend, Indiana
- June 21, 2000 Lecture, “Sleep-Disordered Breathing”, Saint Joseph Community Hospital
Mishawaka, Indiana
- March 23, 2001 Lecture, “A Neurological Approach to Sleep Disorders”, Neurology Grand
Rounds, Wayne State University School of Medicine, Detroit, Michigan
- February 17, 2002 Lecture, “Medical and Professional Ethics: Three Case Studies”,
Machon L. Torah Sixth Annual Conference on Medical Ethics,
Botsford Hospital, Farmington Hills, Michigan
- September 2, 2003 Lecture, “Recognition of Sleep Disorders in Rehabilitation Patients”,
Department of Physical Medicine and Rehabilitation,
Wayne State University School of Medicine, Detroit, Michigan
- May 22, 2008 Lecture, “Pathophysiology and Clinical Interventions: Challenging
Questions for the End of the Sleep Fellowship Year”,
Sleep Medicine Program, Department of Neurology, University of
Michigan Medical School, Ann Arbor, Michigan
- August 25, 2008 Lecture, “Stroke: Being Clear about Definitions, Terminology, Evidence,
Decisions”, Neuroscience Grand Rounds, Bay Regional Medical Center,
Bay City, Michigan
- February 18, 2009 Lecture and Laboratory, “Visual System and Eye Movement”,
Year II Medical Student Clinical Neuroscience Course
Wayne State University School of Medicine, Detroit, Michigan
- May 13, 2011 Lecture, “What Every Teacher Needs to Know About Sleep Patterns,
Daytime Alertness, and School Performance”, 55th Annual National
Leadership Convention of Torah Umesorah – The National Society for
Hebrew Day Schools, Lake Harmony, Pennsylvania
- October 11, 2013 Lecture, “Using Sleep Medicine Ideas in Clinical Neurology”,
Neurology Grand Rounds, Medical College of Wisconsin,
Milwaukee, Wisconsin

**Professional Presentations:
(continued)**

May 24, 2018 Lecture, “Sleep: Signals, Circuits, Symptoms, and Sunshine”,
Traumatic Brain Injury and Intrepid Spirit Programs
Madigan Army Medical Center, Tacoma, Washington

Community Presentations:

September 27, 1986 Lecture, “The Physician/Patient Relationship”,
Gemilas Chessed Synagogue, White Oak, Pennsylvania

January 21, 1996 Lecture, “Jewish Medical Ethics: Finding our Guidelines”,
Temple Emmanuel, Cleveland, Ohio

March 20, 1996 Lecture, “Teaching Medical Ethics: A Jewish Perspective”,
Greater Cleveland Chapter of Hadassah
Fairmont Temple, Cleveland, Ohio

October 27, 1996 Lecture, “Medical Decisionmaking: Finding Jewish Guidelines”,
Issues in Jewish Life, Annual Jewish Community Center Learn-Inn Retreat
Punderson State Park, Newbury, Ohio

January 28, 1997 Interview, “Sleep Deprivation and Sleep Disorders”,
Channel 5 News, Cleveland, Ohio

September 24, 1997 Lecture, “Sleep Disorders”, Seniors Group, Leighton Center,
South Bend, Indiana

January 28, 1998 Lecture, “Sleep Disorders in Chronic Disease”, Lupus Foundation,
South Bend, Indiana

November 5, 1998 Lecture, “Sleep Disorders in Multiple Sclerosis: It All Adds Up”,
Multiple Sclerosis Society, South Bend, Indiana

July 28, 1999 Lecture, “How is Your Sleep?” Fitness Center, Wellness Warehouse
Allied Signal Corporation, South Bend, Indiana

June 6, 2003 Lecture, “Getting Good Sleep and Staying Awake”,
Congregation Agudas Yisroel-Mogen Abraham, Southfield, Michigan

January 20, 2005 Lecture, “Nervous System: Function and Disorders”, Sixth Grade
Science Yeshiva Beth Yehudah, Southfield, Michigan

March 2, 2008 Lecture, “Learning About Sleep, Learning About Health”,
Mesivta High School of Toledo, Toledo, Ohio

July 30, 2010 Lecture, “Learning About Sleep: Rhythms and Contrasts”,
Post High School Summer Learning Program
Gemilas Chessed Synagogue, White Oak, Pennsylvania

June 5, 2011 Lecture, “Medical School in Sixty Minutes – Knowledge and Skills for
Building Healthy Families, Schools, and Communities”,
The Milwaukee Conference for Jewish Women’s Health
Jewish Community Center, Milwaukee, Wisconsin

**Community Presentations:
(continued)**

- September 7, 2011 Lecture, “Headache: A Common Sense Approach to a Common Disorder”,
Lunch and Learn Health Education Series
Gemilas Chessed Synagogue, White Oak, Pennsylvania
- September 5, 2012 Lecture, “Your Energy Level: Asking the Best Questions”,
Lunch and Learn Health Education Series
Gemilas Chessed Synagogue, White Oak, Pennsylvania
- November 29, 2017 Lecture, “Brain Function and Brain Healing”,
Madigan Intrepid Spirit Transitions Intensive Outpatient Program
Madigan Army Medical Center, Tacoma, Washington
- October 8, 2018 Lecture, “Learning about Sleep: Rhythms and Contrasts”,
Torah Academy of the Pacific Northwest, Seattle, Washington
